29th June 2017

Dear Parents /Guardians,

I would like to take this time to thank you all for your support, kind words, flowers, cards and letters over the last week and in the final few days of the school year 2016/2017. Mr. Carney was a wonderful leader in our school. His infectious enthusiasm for the job of teaching children and his warm and charming personality made him extremely popular with pupils, parents, staff and all who came to know him in his job. It is possible that your child may have some feelings and questions that he/she may like to discuss with you. During the summer holidays, please keep an eye on your child and allow him/her to express their feelings. The website details that are on the school website <http://www.stlouisschool.net/> will remain there over the summer holidays. NEPS Psychologists will return to the school in early September.

School Reports: Reports were posted to all homes. Included in the report are the standardised test results in Maths and Reading for your son/daughter as well as tips on how you can support your child's learning going forward. It is important to discuss the report with your child, accentuate the positive as well as focusing on areas that they can improve on for next year.

Graduation: Our 6th class pupils graduated on Tuesday 27th June. This was a wonderful occasion for all of our 58 graduates and for their teachers Ms. O' Shea and Mr. Mc Garrigle. Thank you to our Parents' Association for organising the refreshments and for all their work on behalf of our school this year. We wish our 6th class Graduates the very best of luck as they begin their journey in 2nd level education.

Summer Learning: Although school is out and holidays are here, it is important that learning continues informally in July and August. Encourage your son/daughter to read and facilitate trips to the library on wet or dull days. Reading is a nice way to relax and keep the brain ticking over during the summer months. Continue to monitor your child's use of social media (Facebook, Instagram, Snapchat) over the holiday season.

Booklists: Your child received their booklist for next year today. **Parents have the option of paying for the books before school starts in the office between 9.00AM and 1.00PM from Monday 3rd July to Friday 14th July. Josie, our school secretary will look after you, and receipt you for payments made.**

School Holidays: Please keep the Holiday Schedule for the school year 2017-2018 in a safe place.

Summer Holidays: will begin tomorrow, Friday 30th June @ 12.15PM.

On behalf of the staff I wish you, our pupils, parents and guardians a very happy, safe and relaxing summer.

We look forward to seeing you all on Thursday 31st August 2017.

Best Wishes to each and every one of you.

Yours sincerely
