

St. Louis Senior Primary School, Williams Park, Rathmines, Dublin 6

September 2019

Our motto is: "Growing and Learning Together"

Dear Parents/Guardians,

We welcome your child back to school and we extend a special welcome to the children in second class, who successfully graduated from the Infant School in June. I hope all pupils will have a very successful and happy year. In order to help the children, settle into school again after the summer break, it helps if a good school routine is established.

- It is important that your child is in school before class teaching starts. The official **opening time** of the school is **8.50am**, with classes starting at 9.00am. The school cannot take responsibility for the safety of children who arrive on the school premises before the school doors open at 8.40am.
- School finishes at **2.30pm**. Please ensure that you have arrangements in place to pick up your child on time. It is important from a child safety perspective that your child knows who is picking them up at the end of the school day.
- As part of our school policy, the children must wear their school uniform every day. The **school tracksuit** and runners may be worn on **PE/swimming day only**. Tracksuits should not be worn on any other day.
- Check that **all items are ready** for school each day – uniform, bag, books, copies, pens, pencils, lunch etc.
- Please ensure that all belongings are **clearly marked with your child's name**.

School Attendance: Children should attend school each day from 8.50 to 2.30. Frequent or even occasional absences, or collecting your child before the official closing time, should be discouraged. Parents/guardians must supply notes to the teacher to explain all absences. Schools are obliged by law under the Education (Welfare) Act, 2000, to submit reports on school attendance to the Education Welfare Services of the Child and Family /Agency.

Home Contacts: The school **must have contact number/s and a current address in case of an emergency**. You are asked to fill in the form at the end of this letter so that we can update our records. On occasion, during the year you will receive a text from the school to inform you about an important event. In such instances there is no need for you to reply to the text message. Your **mobile number** is required for this facility.

Lunches: Pupils have two breaks daily. They eat a small snack for the first break and the main lunch is eaten at lunchtime. Milk and sandwiches are provided free of charge in the school by Dublin City Council. We are a **"Green School"** and we must make every effort to retain our flags. Each child is asked to have an **airtight lunch box**. All wrappings, containers, plastic bottles, etc. are to be taken home in the lunch box.

Health and Hygiene: Your child will be coming into close contact with other children in the classroom, so therefore particular attention should be paid to health and hygiene. Check your **child's hair** weekly for head lice. If your child has contacted head lice, please treat it immediately and send a note to the class teacher. The school will respond by issuing a letter to all of the children. When you receive that letter it is extremely important that you check your child's hair and treat it if necessary.

* If your child has a particular health problem or allergy, please advise the school. Children who are sick should not be sent to school. When a child is ill in school, we will contact the child's parent/guardian or minder.

Homework: The school has a policy of giving homework from Monday to Thursday. It is advisable to **establish a definite routine in your home for homework.** Positive encouragement and praise will help your child enormously.

Parent /Guardian – Teacher Communication: Parent / Teacher meetings take place in November. This is an important opportunity for Parents and Guardians to engage with their child’s teacher as to their child’s progress in class. Outside of this meeting, if you wish to meet your child’s teacher on any other occasion, you must schedule an appointment with the teacher directly or through our school secretary **Josie at Tel: 01 497 6098.**

Please ensure when you are meeting a member of the school staff that you notify your arrival on the school premises with the school secretary. For the safety of the children, it is important that the school administration knows who is on the school premises at all times.

School Requisites: Thank you to parents/guardians who have paid their school requisites money for this year. This money covers items such as Book Rental, Photocopying, Art/ Crafts, Standardised Tests, Personal Insurance - A charge of €90 has been made to cover these costs –see Book Bills. Parents may make an arrangement with the class teacher to pay in 2 instalments e.g. €50 and €40, if they wish.

Swimming: We are fortunate to have the use of the swimming pool in Rathmines at Swan Leisure. Swimming lessons will be offered to all classes this year on a term by term base. It is part of the primary school curriculum **that all** pupils must attend. There will be a cost involved and we will endeavour to keep these costs as low as possible. Pupils receive professional swimming lessons and it is wonderful to see them make progress over the course of their lessons.

Date for your Diary: Both St. Louis Infant and Senior School will be closed on **Friday 4th October** for the Primary Language Curriculum Day training for staff.

Keep in Touch: Please keep an eye on the school’s website www.stlouisschool.net for all school news, it is updated regularly.

There has always been a strong tradition of parental support and engagement in St Louis Senior Primary School and I look forward to another successful school year.

Le gach dea ghúí,

Dolores Hanrahan
Principal

Education Welfare Act 2000 and the National Welfare Board

Under the Education (Welfare) Act, 2000, parents/guardians are responsible for making sure their child receives an education. Parents/ Guardians are advised to send their children to school regularly and to avoid unnecessary absences. **Punctuality** in the morning is also important and must be monitored.

If your child is unavoidably absent, parents are asked to notify the teacher **in writing**. The school will retain these notes and has an obligation under the Act (Education Welfare Act 2000) to **report absences of 20 days or more to the NEWB**, which now happens automatically. Each school will be visited by an EWO (Education Welfare Officer). The EWO will check on absences and may call to see families where there is a concern for the child's educational welfare. **Extenuating circumstances**, such as illness, will be taken into consideration.

"Notification of Child's Absence From School."

Summary.

Parents/ Guardians are requested to inform the school **in writing** of any absence of their child from school. Notification must be received **in writing** even if a parent/ guardian has informed the school by telephone. Notes will be retained in the school in compliance with the Education Welfare Act 2000. Children who are absent 20 school days or in excess of 20 school days are automatically reported to the Education Welfare Board.

****Parents/ Guardians are asked to sign the form below indicating that they have read the above on the Education Welfare Act 2000 and Notification of Absence from School.**

.....

I have read this information on the Education Welfare Act 2000 and Notification of Absence from school.
