Aladdin
The Software Behind Great Schools

Connect

Dear Parent/Guardian,

Our school is delighted to announce that we will shortly roll out the Aladdin Schools Connect to parents/guardians of children in our classes.

The school uses the Aladdin Schools software service www.aladdin.ie for administrative purposes and Connect will give you secure access to messages from the school via secure login from your internet browser or Aladdin Connect App

Aladdin Connect is a fantastic way to enhance a school's communication with parents. It enables parents to stay connected and informed about their child's education by:

- Ensuring that the school has their most [up to date contact information](#)
 - Allowing parents to quickly and efficiently select preferred slots for [parent teacher meetings](#)
 - Keeping parents up to date on [school and classroom news](#) via noticeboard messages
- Along with strengthening our home/school partnership, we also envisage Aladdin Connect helping the school by:
- Helping to reduce the amount of [class/school notes being sent home](#)
 - Helping the school [communicate](#) with parents when the need arises
 - [Reducing costs](#) by reducing the number of text messages that need to be sent

You can rest reassured that Aladdin Schools uses state-of-the-art security to safeguard information entered by the school and data is stored and processed in strict compliance with Irish and European data protection laws.

In the next few days, you will [receive a text/email message](#) containing your [registration link](#). There will be one link per parent which will allow the parent to access information for all their children in the school from one user account. Please do not forward this text/email or share this link as this is a unique registration code for each parent for your child/children in this school. During registration you will choose a password that will be used in conjunction with your email address to securely access the Aladdin Connect going forward. If you choose you may share your own contact details with other parents of children in the same class as your children, but please be reassured that this information will **not** be shared unless you choose to share it. Once you are registered you will be sent an email with links to download the Aladdin Connect App for your mobile device. The main advantage of using the App is to receive immediate alerts for app messages sent by your school. Downloading the App is highly recommended to enhance both the parent and school's Connect experience.

[By default both parents will have access to view their child's contact information.](#) If for any reason you do **NOT** wish to share your own personal contact information within the family circle or if you have any concerns regarding your particular family setup please contact the school in confidence to discuss or have this facility restricted.

[In preparation for this please let the school know if your email address or phone number has changed recently.](#)

We hope that you enjoy using Aladdin Connect.

Yours sincerely,

Principal
